

CHEMISTRY TAUGHT AT PIKE COLLEGE

Special Building Erected With
Full Equipment.

A special building has been erected at Pike College, and equipped with individual desks and with a complete outfit for work in general chemistry. Each student will be furnished with the necessary apparatus, while the additional desks will be supplied from the storehouse. The building is the first of the new chemistry building and the first of the new building for the study of chemistry and the study of the chemical sciences.

Several high powered microscopes have been ordered from the medical supply depot and will be used in taking up the study of microscopical anatomy of drugs for the detection of such poisons.

A short course in plant biology and botany has been added to the curriculum to more thoroughly acquaint the student with the structure and life of the various plants. This will be taken up with the aid of the microscope.

Another feature will be found in the fact that this course has the addition of Latin and physiology. The Latin will take up the subject as physiology, pharmacy and medicine. Physiology has been added as an aid to the students who are members of the medical corps, this in order that they may more readily qualify as noncommissioned officers.

SHELBY TEACHERS TO DINE ON SATURDAY

The teachers in the Shelby county schools will meet together for a luncheon next Saturday at the Hotel Chiles. The meeting is an annual affair, and an extensive program has been arranged by Miss Laurie Cash, principal of Treadwell school, in charge of the entertainment, which she promises will be "something" different. There will be only one speech, it is understood, and the 1935 annual luncheon by the fact that the county court meets the following Monday to consider raising the pay of county school teachers. Assurances which have reached the teachers from all parts of the county indicate the magistrates are going to be liberal with their educators.

Miss Carl Williams, superintendent of county schools, will preside, among the prominent guests will be Prof. Wharton S. Jones, superintendent of city schools, Albert S. Williams, state superintendent of education, and officers of the West Tennessee Teachers' association.

C. C. JOHNSON IN RACE FOR CONGRESS

MERIDIAN, Miss., March 26. (Sp.)—Former Attorney-General Ross A. Collins has opened headquarters here and begun an active campaign in the Fifth district for the seat of Congressman W. W. Venable, who is also understood to be a candidate, but is mentioned as a senatorial possibility. C. C. Johnson, a local attorney, has also announced his bid in the race. Although a mayor and two councilmen are to be elected this year, there has been very little political activity. It is said that Mayor Valney and Councilman W. R. Owen will not again enter the race, although friends are pressing them to run. Councilman J. M. Slaughter has announced for reelection, and J. A. Gibson has entered the field. Former Mayor John W. Parker is mentioned as a majority possibility.

RABBI BRILL TO GO TO SHREVEPORT

MERIDIAN, Miss., March 26. (Sp.)—Rabbi Abram Brill, of Temple Beth Israel, who is beloved by Christian and Jew in Meridian, has announced his acceptance of an offer at Shreveport, La., where he said the field needed his work. Remuneration was no object in the change, Dr. Brill declared, but as the Temple Beth Israel congregation were out of debt and in a flourishing condition, he thought he could give his services to a congregation not so well fixed. The announcement was received with regret all over the city.

Two Men Freed Of Bribe Charge

F. Bertani and P. Tonoli, charged with having given a \$50 bribe to William D. Bee, police inspector, were found not guilty late Monday by a jury in First division of the criminal court. The jury considered the case only a few minutes. Bertani and Tonoli were defended by Harry Holman, formerly an assistant attorney general, and Ed. William J. Bacon. Their defense was that Bertani gave Bee a \$50 bill as a forfeit for Tonoli, whom he had arrested after a quarrel with a girl, and alleged to have purchased a half-pint of whisky from Tonoli, a clerk in Bertani's grocery on Fourth Street. The defendants stated that they thought it was customary to give policemen a forfeit, to be taken to the station house by them. The defense showed that this was customary in 1917, but the state proved that it rarely was the case now.

Four More Firms To Fight Malaria

Four more large industrial concerns have enlisted with the Shelby county board of health in its fight on malaria fever. Announcement has been made by Dr. T. C. Graves, county health officer, that support has been pledged by J. D. Marks, general manager of the Memphis Rice mill, the Jorgensen-Hausner Manufacturing company, Russell & Burgess, hardware and lumber dealers and the Stinson Veneer and Lumber company, Inc.

Jumps In Creek To Save His Mule, Negro Is Drowned

COLUMBUS, Miss., March 26. (Sp.)—Mond. Keaton, a negro, lost his life when he went into Little creek, nine miles east of Columbus, to rescue his drowning mule. Even after the negro had been in the water for an hour his heart continued to beat, and although every effort was made to bring him back to life, it was found impossible.

CHURCH AND TEN HOMES BURN AT GATES, TENN.

BATES, Tenn., March 26. (Sp.)—Fire broke out in the residence part of Gates Monday and before the flames could be extinguished in dwellings, the Methodist church and a large barn was destroyed by fire. The fire was discovered in a negro house which set the church on fire, and owing to a high wind the flames spread to the buildings. The town is without water works and the people of Gates telephoned to Hiale and Ripley and asked for help. The loss will run up in thousands of dollars, besides a number of families will be left homeless as there are no vacant houses to rent.

RESET ALLEN CASE.

Trid of Michael C. Allen, on a charge of murdering Luther Lewis, railroad fireman, was reset for April 26, when it was called Monday in Second division of criminal court.

Allen shot Lewis while the latter was in his engine cab, on the night of Feb. 27. It was Allen's third attempt that night on Lewis' life. Allen divorced his wife in 1924. He since has remarried her.

CITY HOPES TO GET COIN FROM GARBAGE

The city administration hopes to receive bids for waste and garbage which will bring in a revenue that will in part offset the cost of collection of garbage which has been running for several years between \$100,000 and \$125,000 a year. It is proposed that the city street department shall continue collection of garbage but the different classes of waste will be separated at the three city crematories—ashes, kitchen garbage and other waste. It is anticipated that the trash, tin cans, paper, bottles and other such material will probably bring the best price, although under the proposed new system the kitchen garbage, which is to be kept separate from other waste, should be in demand for feed for hogs.

Auto That Killed Lad Turned Over

The automobile which ran down and fatally injured Monroe Littlefield 12-year-old son of Mrs. Maggie Littlefield, 577 Vance avenue, passed out of the sheriff's hands Monday, where it had been held under attachment issued for G. W. Littlefield, uncle of the dead lad, who has filed suit for damages against the man supposed to be the car owner.

HUNTSVILLE STILL RECEIVING COTTON

HUNTSVILLE, Ala., March 26. (Sp.)—Madison county farmers are still anxious to market their cotton after each period of good weather that they have experienced during the last two weeks permits them to pick some of the crop out. Receipts Saturday were 150 bales and previous to that day during the week the receipts ran from a dozen to about 40 bales. The last report on ginnings showed that Madison county had ginned 40,295 bales of last year's crop, as compared with 34,750 in the preceding year.

CHRISTIAN ENDEAVOR TO MEET IN COLUMBUS

COLUMBUS, Miss., March 26. (Sp.)—Visitors from all sections of the state are expected here April 16, 17 and 18 to attend the annual state convention of the Christian Endeavor. A splendid program is being arranged.

YAZOO CITY TO PLAY

YAZOO CITY, Miss., March 26. (Sp.)—A baseball game between the Yazoo City high school team and a town team is being arranged for Wednesday of this week. The high school team is playing good baseball, and expects to defeat the best players to be gathered together to represent the town on that occasion.

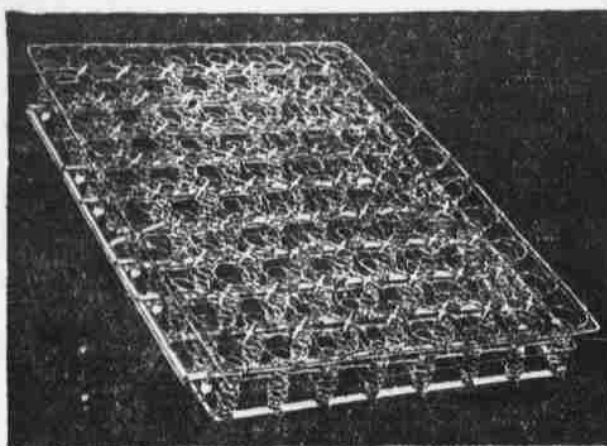

—a fine-flavored syrup
of excellent quality

IF HAIR'S YOUR PRIDE USE HERPICIDE

That air of refinement and charm that beautiful hair gives is within the reach of every woman. If your hair is dull, brittle or lusterless, if you have dandruff or itching scalp, if you cannot dress your hair "to make it look like anything," it shows very plainly that you need

Newbro's Herpicide

to give it life and beauty. Beautiful women everywhere depend upon Herpicide.

From the very first application you will note a change. Your dandruff will begin to disappear, your scalp will stop itching—your hair will begin to tone up and beautify.

A two weeks' treatment will show wonderful results. Your friends will then notice the change. Your appearance will be improved to a marked degree.

You will have what is rightfully yours and every woman's—lustrous, shimmering, beautiful hair that will be the admiration of everyone.

Begin today to use Herpicide. Use it in secret if you wish—but don't expect to keep the secret long. But give credit where credit is due—tell your friends about Newbro's Herpicide.

LADIES

Do not snap and pull out your hair. Use a Herpicide Comb. All large teeth, No rough edges, No sharp corners.

Send 10 cents in stamps or coin today for sample and booklet on "The Care of the Hair". Address: The Herpicide Co., Dept. 192-A, Detroit, U. S. A.
Sold by Drug and Department Stores. Applications at the Better Barber Shops.

Herpicide (Tar) Soap produces a rich creamy lather and leaves the hair light and fluffy. Best for the hair, fine for the bath, excellent for the nursery.

HAMNER-BALLARD DRUG CO., Special Agent.

Why Doesn't Your Sleep Rest You

WHEN a man really rests, sleeping soundly all night, he wakes up with a new feeling of being alive—almost like being made over again.

But how often you hear some one say—"Oh, I sleep all right, but it doesn't seem to rest me!"

Probably this has happened to you many a time. The fact is that you did not sleep soundly—and your bed had more to do with it than you realize.

A creaky bed, a bed that sways, a spring that sags and lets you down into a hollow—puts your nerves on edge and makes your muscles tense.

For deep, sound sleep you must have a bed that invites every nerve and muscle to relax.

The Simmons Metal Bed is noiseless.

A Simmons Spring is always resilient and restful—never sags or humps.

That is why people sleep so much better in a Simmons Bed and Spring than in a wooden bed or ordinary metal bed.

And that is why Simmons Company is specializing in Twin Beds. One sleeper does not disturb the other, or communicate colds and other infections.

Simmons Steel Beds, Brass Beds, Springs, Day Beds and Children's Cribs are the most popular sleeping equipment in America today—in the stores of leading merchants all over this section.

Your choice of very beautiful designs in Enameled Steel and Lacquered Brass—at prices little if any higher than for ordinary beds.

And when you are selecting your Simmons Beds with an eye to their appearance in the room, you will see that Simmons has for the first time established beautiful and authoritative design in Metal Beds.

Sleep is a big subject! Write us for the brochure, "What Leading Medical Journals and Health Magazines Say about Separate Beds and Sound Sleep". Free of charge.
